

MAGNOLIA

CRYSTALEX

Magnolia

The set was inspired by the classical Diana design which Crystalex has been making to great acclaim since 1979, but Magnolie is furthermore made by means of the modern technique of polished the cup onto the glass stem. The subtle design and fine craftsmanship makes each beverage bloom like a magnolia blossom in spring breeze.

Sada byla navržena na základě klasického souboru Diana, který Crystalex vyrábí již od roku 1979, avšak tento výrobní proces používá zcela originální techniku zažehlení kalíšku s tvarovanou nohou. Decentní design a jemné zpracování dává rozvinout chuť každého nápoje, jako květ magnólie otevírající se jarnímu slunci
